REF #: ICI19-015

Effective: 03/22/19

Release: 02/27/19

SUBJECT: FL780 – Campaign Suspended

This letter is to inform you that recall FL780, Cascadia ICUC Bulb Check Function, will be suspended on Friday, 3/22/19. On that date will see FL780 marked as “Suspended” in OWL.

It has been determined that a change in the procedure is necessary. A second Important Campaign Information letter will be posted when the changes have been made and the campaign is reactivated.

Last Repair Date for FL780 Repairs: Thursday, 3/21/19

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
