Special Tools & Equipment

Panamera (971) Flexray Vehicle Network Tester

Technical Support

1909   USA Only

Porsche Special Tools & Equipment has recognized a need for the Flexray Vehicle Network Tester. The Flexray version of the CAN-BUS system starts with the Panamera (971) and is needed to communicate between the PT3G Tester and the modules with the vehicle. This tool will be considered a minimum required tool and will start shipping CW 20/19 Monday May 13, 2019. If you have any questions about this tool, please feel free to contact Porsche Special Tools & Equipment at askthetoolguy@porsche.us
