N4P000 EMCO Hardness Tester - Loaner

1911

USA Only

Porsche Special Tools & Equipment has added the N4P000 EMCO Hardness Tester to the rental/loaner program. This tester is used for Campaign F04 8506 on the 924, 924 Turbo and 944 to measure the temper of the spring plate. This bulletin is to call out the tools as rental/loaner and that they are available for our dealers. Please refer to F04 8506 for any information about the campaign and how to use the tool. If you have any questions about the tool, please feel free to contact Porsche Special Tools & Equipment at askthetoolguy@porsche.us.
