# CUSTOMER SATISFACTION NOTIFICATION U07- AUTOPARK FUNCTIONALITY

## RAM ECO DIESEL TRUCKS ONLY - VINS REMOVED

Customer Satisfaction Notification (CSN) U07 is no longer required for RAM Eco Diesel Trucks.

RAM Trucks equipped with a 3.0L Eco Diesel engine were eligible for CSN U07 **and** Emissions Recall V08/V11/V16.

In an effort to simplify the processes surrounding the Emissions Recall V08/V11/V16 all RAM Trucks equipped with a 3.0L Eco Diesel engine have been removed from CSN U07 until further notice.

Please continue to complete the V08/V11/V16 campaign as written in Dealer Instructions.

**FCA Appreciates Your Support!**
