## Cougar Service Advisory Update

### Service Advisory 19-356

**Please note :**

The instructions for Service Advisory 19-356 Cougar 32RDB A/C Ceiling Vents Campaign have changed. Please use the most up-to-date version found on Key Express under “Service Campaigns”.

**Do Not** follow the diagram on the previous instructions as some units were produced with a front, direct dump A/C and the diagram does not pertain to all units in the campaign range.

This is email was sent to , as a user listed in Key Express for dealership .
