Number: VWP-17-09

Subject: "Extended Emissions Warranty" Limited Warranty
Extension - **REVISED**

Date: Aug. 20, 2019

Questions? For any questions regarding this warranty extension, please contact the Warranty Helpline at 1-866-306-8447 or warranty.helpline@vw.com.

This document modifies the Volkswagen Warranty Policies and Procedures Manual.

For Volkswagen 2.0L TDI **GEN 1** vehicles repaired by the emissions modification recall, the following warranty extension is applicable.

"Extended Emissions Warranty 2.0L TDI" Limited Warranty Extension

For the following Volkswagen 2.0 L TDI engine vehicles repaired by the emissions modification recall, a warranty extension is applicable as defined below.

- ▶ 2009 MY Jetta with engine code CBEA
- ▶ 2010 – 2014 MY Jetta with engine code CJAA
- ▶ 2009 MY Jetta Wagon with engine code CBEA
- ▶ 2010 – 2014 MY Jetta Wagon with engine code CJAA
- ▶ 2010 – 2014 MY Golf with engine code CJAA
- ▶ 2013 – 2014 MY Beetle with engine code CJAA
- ▶ 2013 – 2014 MY Beetle Convertible with engine code CJAA

Warranty Period

The warranty period for the "Extended Emissions Warranty" limited warranty extension shall be the **greater** of:

For Automatic Transmission vehicles:

- ▶ 10 years or 120,000 miles, whichever occurs first, from the vehicle's original in-service date; or
- ▶ 4 years or 48,000 miles, whichever occurs first, from the date and mileage of the emissions modification or vehicle purchase, in which case, from the date and mileage of the first resale transaction after the modification to the first person who in good faith purchases the vehicle for purposes other than re-sale.

For Manual Transmission vehicles:

- ▶ 10 years and 6 months or 126,000 miles, whichever occurs first, from the vehicle's original in-service date; or
- ▶ 4 years and 6 months or 54,000 miles, whichever occurs first, from the date and mileage of the emissions modification or vehicle purchase, in which case, from the date and mileage of the first resale transaction after the modification to the first person who in good faith purchases the vehicle for purposes other than re-sale.

The vehicle's original in-service date is defined as the date the vehicle was delivered to either the original purchaser or the original lessee; or if the vehicle was first placed in service as a "demonstrator" or "company" car, on the date such vehicle was first placed in service.

Volkswagen

Warranty Information

Transferability

This warranty extension is fully transferable to subsequent owners.

What Does this Warranty Extension Cover

The "Extended Emissions Warranty" limited warranty extension consists of two parts, the Emission Control System Warranty and the Engine Long Block Warranty.

Emissions Control System Warranty

The emissions control system warranty covers all components which are replaced as part of the emissions modification and any component which can reasonably be impacted by effects of the emissions modification. The warranty includes the following parts or systems:

- ▶ The entire exhaust gas after treatment system, including the Diesel Oxidation Catalytic Converter (DOC), the NOx Reduction Catalytic Converter, the Diesel Particulate Filter (DPF), the exhaust flap, and all sensors and actuators;
- ▶ The entire fuel system, including fuel pumps, high pressure fuel rail, fuel injectors, pressure control valve, and all sensors and actuators;
- ▶ The EGR system, including EGR valves, EGR cooler, EGR filter, EGR temperature sensor, all related hoses and pipes, and all sensors and actuators;
- ▶ The air intake pipe and charge air cooler, charge air temperature sensor and air-mass sensor (HFM);
- ▶ The turbocharger, including the turbocharger damper;
- ▶ The glow plug;
- ▶ The On-Board Diagnostic (OBD) system – Any malfunctions detected by the On-Board Diagnostic (OBD) system
- ▶ Automatic Transmission, including the mechatronics (**specific 2009 MY vehicles ONLY**)

Engine Long Block Warranty

The engine long block warranty shall cover the engine sub-assembly that consists of the assembled block, crankshaft, cylinder head, camshaft, and valve train.

What is Not Covered Under this Warranty Extension

This warranty extension will not cover:

- ▶ Any damage or malfunctions caused by installation of non-EPA or non-CARB certified emissions related parts, including such damage or malfunction to parts needed for proper diagnosis of a covered part.
- ▶ Damage or malfunctions caused by outside influence, such as damage due to an accident, or vehicle misuse or neglect, but only if the damage or malfunction is causally related to the accident or vehicle misuse.

Warranty Extension Coverage Limitations

The warranty and maintenance information that came with the owner's vehicle contains information on the limited warranties applicable to their Volkswagen model. Owners should read these limited warranties carefully to determine their warranty rights and obligations, as this information also applies to the coverage provided to them in this warranty extension.

Warranty Information

Vehicle Eligibility

To determine if a vehicle repaired by the emissions modification recall is eligible for the "Extended Emissions Warranty" limited warranty extension, check the VIN in ElsaPro > Vehicle Data. If the warranty extension is applicable to the vehicle, the "Enhanced Coverage" section of the "Vehicle Data" screen in ElsaPro will be populated with the warranty extension parameters.

This Warranty Extension is applicable for vehicles with a totaled status as long as the previous damage is not the cause of the current failure.

SAGA Warranty Claim Type

Dealers must use claim type G14 when submitting warranty claims for the "Extended Emissions Warranty" limited warranty extension.

Loaner Vehicle Applicability

The cost or provision of a loaner vehicle for this warranty extension is applicable when the vehicle is projected to be in the dealership's possession for 3 or more hours.

SAGA Claim Coding	
Claim Type	A1A
Service Number	CU02
Damage Code	0010
Damage Location	Blank
Part Manufacturer Code	MOB
Outside Labor Operation	CU020000
Causal Indicator	Select Outside Labor Operation

Important Information

For conditions that illuminate the MIL, and are not listed as a Service Number or Component, please submit the extended emissions warranty claim using Service Number S657. Please also ensure a Guided Fault Finding log, showing the DTC is uploaded to GFF paperless for review prior to submitting your claim to SAGA. If you have any question or doubt about whether any component is covered under the 2.0L TDI Extended Emissions Warranty, please contact the Warranty Helpline at 1-866-306-8447, select prompt 2.
