

Technical Service Bulletin

PSS 01 Bank 1 engine misfires - A8

01 19 26 2054113/3 September 9, 2019. Supersedes Technical Service Bulletin Group 01 number 19-24 dated August 30, 2019 for reasons listed below.

ſ	Model(s)	Year	VIN Range	Vehicle-Specific Equipment
	A8	2019	All	3.0TFSI

Condition

REVISION	REVISION HISTORY				
Revision	Date	Purpose			
3	-	Revised Service (Updated software release date estimate)			
2	08/30/2019	Revised title Revised header (Corrected Elsa display issue)			
1	03/05/2019	Initial publication			

This PSS only applies if all of the following conditions are met, see Figure 1 for an example:

- MIL on, MIL flashing, or misfires reported by customer.
- Misfire DTCs are stored for more than one cylinder on Bank 1.
- DTC ambient conditions show misfires occurring at or near same timestamp.
- DTC ambient conditions show misfires occur while engine operating condition is "Leerlauf" (idle in German).
- DTC ambient conditions show misfires occur when the vehicle is at or near 0 km/h speed.
- The vehicle is NOT currently misfiring when examined in the workshop.

If all of the above criteria are not met, this PSS does not apply and the vehicle should be diagnosed using the normal GFF process.

Technical Service Bulletin

Technical Background

Software calibration causing misfire under certain running conditions using winter blend fuel (higher vapor pressure).

Production Solution

Improved software in development.

Service

- If customer's vehicle condition matches the conditions listed in this PSS TSB clear DTC's and test drive vehicle. If there are no faults returned after the test drive, explain to the customer that a solution is forthcoming and currently scheduled for the late 4th quarter of 2019. No repairs are necessary at this point.
- 2. Do not replace any components for this condition since this will not resolve the customer's concern.
- 3. Create a PSS record in the PSS application through the Pending Service Solutions (PSS) link in AccessAudi (under *Related Links >> Service*), or through the Technical Assistance Page in Elsa.

Warranty

This TSB is informational only and not applicable to any Audi Warranty.

Additional Information

All parts and service references provided in this TSB (2054113) are subject to change and/or removal. Always check with your Parts Department and/or ETKA for the latest information and parts bulletins. Please check the Repair Manual for fasteners, bolts, nuts, and screws that require replacement during the repair.
