Notes

▪ Repair instructions

Technical background

On all affected vehicles the battery conditioner was not supplied with the vehicle from production.

Remedy

On all affected vehicles a battery conditioner is required.

Customer notification

Customers do not need to be informed directly of this campaign. Please ensure that all affected vehicles are checked and repaired during a service visit. You should also inform your new and used car sales departments so that the vehicles affected can be checked, and if necessary repaired immediately and not just prior to sale.

Repair instructions

▪ Notes

Technical background

On all affected vehicles the battery conditioner was not supplied with the vehicle from production.

Check

If the vehicle is not already listed as repaired in the 'Repair history' section of ElsaPro, check the 'Identification' section of this document. In the event that the campaign has not been applied, please carry out the required work in accordance with these instructions.

Genuine parts

Part number	Description	Quantity
3Y0915685A	Battery conditioner	1

Work

Place the supplied battery conditioner in the luggage compartment of the vehicle and inform the customer of this action.

Identification

Campaign completion is confirmed by the presence of the battery conditioner.
