**No.: 19 CSA-16**  
September 9, 2019

TO: Service Locations

FROM: Aftermarket Catalog Team

SUBJECT: **eParts Retirement Announcement**

### GENERAL INFORMATION

The Detroit® parts catalog, eParts, will officially be turned off within the coming months.

### REQUIRED ACTION

Please begin using PartsPro exclusively for all Detroit Engine Parts information. Direct access to eParts catalog will be removed.

Launch PartsPro from the DTNACconnect home page using the app icon under My Applications.

### CONTACT INFORMATION

If you have questions about your PartsPro access, please work with your security administrators to verify your user profile.

If you encounter any catalog issues while working in PartsPro, please contact the Detroit Parts Catalog team at [dd-partscatalog@daimler.com](mailto:dd-partscatalog@daimler.com).
