

DAIMLER TRUCKS NORTH AMERICA AFTERMARKET

No.: 19 TL-18
October 2, 2019

TO: Service Locations

FROM: Service Systems Development

SUBJECT: **DDC DSN012T18001 - Oil-to-Air Cooler Update Kit**

GENERAL INFORMATION

A new tool kit is available for purchase, to support updating Freightliner Cascadia Western Star 5700 vehicles with oil-to-air transmission coolers.

REQUIRED ACTION

The kit is available from the PDCs, and should be used with the Service Bulletins SB26-051 and SB26004 to perform the work. Only one kit should be required for each service location.
