## PURPOSE

To announce a Fast Feedback Program for replacing the **3.0L Diesel Engine and components** - (*Sales Code EXH*) in an effort to collect, monitor and correct quality issues in a timely and efficient manner.

### Models affected:

- 2020 Ram 1500 (DT)

## TIMING:

September 16, 2019 – March 16, 2020

**NOTE:** At the end of this Fast Feedback program, normal Parts Ordering and Service Information procedures will apply.

## ACTION:

When customer input and technician diagnosis suggests an engine and/or component defect, drivability or electronic issue, the dealer must:

- Review the nature of the problem and perform all necessary diagnostics.
- Contact the STAR Center at **1-800-850-7827** and review the details of the problem and the diagnostics.

**NOTE:** All parts needed for these repairs will be “order restricted” during the term of this program. If these need replacement, please contact the STAR Center for critical warranty information.

- If an engine and/or component repair is necessary, you will be advised by STAR of any special instructions regarding component removal and return.
- To avoid damage and fluid spills, all returned parts must be shipped in the same container provided with the new replacement part.

**NOTE: DO NOT disassemble the engine and/or component without prior approval from STAR. Chargebacks will be imposed for unauthorized internal engine and/or component diagnostics.**

All replaced engine assemblies and/or components must be returned using UPS (Heavy) transportation. A STAR Center representative will initiate the Fast Track process to ensure proper component packaging and return.

**DO NOT** return engine and/or component via DDS.

### **ADDITIONAL INFORMATION:**

**NOTE:** It is possible for a vehicle to have multiple parts on restriction.

Alternate transportation reimbursement requests can be submitted on the same claim as the warranty repair. Refer to Warranty Bulletin D-15-15 (Rev. A) for complete Alternate Transportation Guidelines.

**Please ensure that all affected dealership personnel are aware of this bulletin.**
