REF #: ICI19-053

Effective: 10/04/2019

Release: 10/04/2019

SUBJECT: DDC D18M3 – Revised Bulletin

This letter is to inform you that a revised bulletin for Detroit Diesel field service campaign D18M3, Heavy Duty Engine Platform Oil suction Manifold engine Brake Caliper Mounting Bolts, is available on DTNAConnect. Please print and use the revised bulletin for all work under D18M3 from this point forward.

REVISION: Page 3 of the bulletin outlines additional Campaign policies regarding progressive damage.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
