Audi Delivery Guidelines

Client	Stock No.	Delivery Date
	VIN	
Delivery Inspection		
 ☐ Ensure that final vehicle quality inspection is completed ☐ Inspect exterior for damage, dings, dents and surface scratches ☐ Verify that vehicle is equipped as specified and that all accessories have been installed ☐ Check interior for cleanliness, grease marks and damage ☐ Check that floor mats are locked in place ☐ Ensure tire pressures are set to "normal Customer load" conditions and calibrate (store) the Tire Pressure Monitoring System (TPMS) prior to Delivery 		Repair all defects prior to customer delivery
		☐ Complete myAudi registration, Audi connect trial activation, and key user verification prior to customer arrival. Ensure customer has agreed to Audi connect Terms & Conditions and has set the 4-digit S-PIN in the myAudi smartphone app.
		Complete the Key User Pairing in the vehicle (if equipped)
		Provide completed Audi phone box registration form to cus-
		tomer (if equipped)
Customer Priority Topics		
How long would the client like to spend on to	pics today?

Audi Phone Box-Equipped Vehicles

Operation of the Audi Phone Box is subject to the following requirements of the Federal Communications Commission:

This is a CONSUMER device.

BEFORE USE, you MUST REGISTER THIS DEVICE with your wireless provider and have your provider's consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your service provider.

You MUST operate this device with approved antennas and cables as specified by the manufacturer. Antennas MUST be installed at least 20 cm (8 inches) from any person.

You MUST cease operating this device immediately if requested by the FCC or a licensed wireless service provider.

WARNING. E911 location information may not be provided or may be inaccurate for calls served by using this device.
