

IMPORTANT PRODUCT UPGRADE INFORMATION #190827REV September 2019

Dear Valued Holiday Rambler Customer:

REV Recreation Group, Inc., on behalf of its manufacturing center located in Decatur, IN, is contacting the owners of certain Holiday Rambler Admiral Model 34 J, Class A Gas motorhomes, equipped with a patio awning.

This notice is sent to inform you of important product upgrade information concerning **your** motorhome.

Why is the product upgrade being offered?

On motorhomes affected by this Product Upgrade, the patio awning circuit wiring may have been incorrectly wired and could be manually operated regardless of the positioning of the ignition switch and/or parking brake.

How can you take advantage of this product upgrade?

Please contact an **authorized REV Recreation Group servicing dealer** to schedule the upgrade procedure. The procedure is expected to require less than one hour; however, additional time may be required by your dealer due to service scheduling.

The upgrade is offered free of charge to owners of vehicles still within their base warranty period, or one year from the original mailing date of this letter (whichever is later).

For assistance locating an **authorized REV Recreation Group servicing dealer**, you may call REV Recreation Group Owner Relations toll-free at:

(800) 509-3417

When you deliver your motorhome for service, your dealer will complete a Repair Order. Upon completion of the upgrade procedures, please sign the dealership's Internal Repair Order.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed, postage-paid Vehicle/Owner Information Update Card and return it to REV Recreation Group. This will allow us to update our records, and if necessary, notify the new owner using the information you provide.

Alternately, you may use a smart device and the QR code at right to navigate to the online owner update form, or visit:
