SITUATION

BMW of North America, LLC has issued a Delivery Stop (effective October 25, 2019) on a small number of Model Year 2020 BMW vehicles that were produced between August 21, 2019 and October 7, 2019. The cylinder head cover may have been damaged during assembly. It will need to be inspected and, if necessary, replaced.

Approximately 4 vehicles are affected by this Delivery Stop.

The bulletin will be updated when additional information becomes available.
