2012 Touareg Service Reminder Reset

Resetting the service reminder display

If the vehicle was not serviced by an authorized Volkswagen dealer or an authorized Volkswagen Service Facility, the service reminder can be reset in the Infotainment System as follows:

- Switch on the ignition.
- Press the **CAR** Infotainment button.
- Tap the **Service** function key on the screen.
- Tap the **Reset oil change interval function** key on the screen.
- Tap **Reset** to confirm the request.

i Do **not** reset the service reminder between service intervals; otherwise, incorrect information will be displayed.

i The service reminder disappears after a few seconds when the engine is running or the **OK** button has been pushed.
