### Service reminder display

**ⓘ Please first read and note the introductory information and heed the WARNINGS ⚠ in the owner's manual.**

The service appointment reminder is shown in the instrument cluster display. For more information, please See ⇒ Booklet *Warranty and Maintenance*.

Information on maintenance intervals ⇒ Booklet *Warranty and Maintenance*.

For vehicles with **time- or distance- driven dependent service**, fixed service intervals are displayed.

#### Service reminder

If service is due in the near future, a **service reminder** is displayed when the ignition is switched on an **Service in --- mi or --- days (Service in --- km or --- days)** is shown on the instrument cluster display.

#### Service event

When **service is due**, an audible signal sounds when the ignition is switched on, and a flashing wrench symbol  is displayed for several seconds. For *vehicles with text messages*, **Service now** is indicated on the instrument cluster display.

#### Viewing service messages

Service messages can be viewed in the Infotainment System.

- Switch on the ignition.
- Press the **CAR** Infotainment button.
- Tap the **Service** function key on the screen.

A **minus sign** in front of the number of miles (kilometers) or days means that **service is overdue**. **Service since --- mi or --- days (Service since --- km or --- days)** is shown on the display.

**ⓘ** The service reminder disappears after a few seconds when the engine is running or the **OK** button on the multi-function steering wheel has been pushed.
