*** Dealer Stock and Retail Vehicles ***

Dealers must perform this Service Campaign on all affected vehicles prior to customer retail delivery and whenever an affected vehicle is in the shop for any maintenance or repair.

Affected Vehicles

Hyundai is conducting a Service Campaign to inspect the Electric Water Pump (EWP) assembly.

The affected vehicles include:

- 2019 Ioniq Hybrid (AE HEV)
- 2019 Ioniq Plug In Hybrid (AE PHEV)
- 2019 Ioniq Electric Vehicle (AE EV)
- 2019 Kona Electric Vehicle (OS EV)

Hyundai is initiating this action to ensure the quality of its vehicles and the continued satisfaction of Hyundai customers.

Description

This service campaign provides information on the procedure to inspect the Electric Water Pump (EWP) assembly. The EWP assembly will be inspected and if needed certain parts will be replaced. Perform the inspection procedure as outlined on page-6 of the TSB.

Service Action

Reservation – Always check the Vehicle Information Screen in WebDCS for open campaigns and recalls, and advise the customer on time requirements.

Readiness – Review this announcement and the accompanying FAQs with all Service and Parts staff including Reservationist/BDC. Also, complete all applicable training, check your reservation capacity settings (you can set separate capacities for every recall/campaign), confirm email addresses for campaign appointments, and that you have all necessary tools, campaign parts and shop equipment as needed.

Reception – Always check the Vehicle Information Screen in WebDCS for open campaigns and recalls, and print a copy for technicians. Provide SRC or an alternative vehicle, as needed. If a customer has declined the campaign, note this on the repair order and request the customer's signature next to the statement.

- Always try to provide an equivalent or similar SRC

Repair – Always plug in the GDS before starting the repair. Make sure to complete an MPI on all vehicles and Quality Control your work.

- Review and follow the sections listed below from the applicable vehicle shop manual prior to performing any work with the high voltage system:
 - General safety information and caution
 - High voltage shut-off procedures

Return – Review all completed campaign and repairs to answer any customer questions. Also, schedule the customer's next service.

Reconnect – Follow up for customer satisfaction.

Parts

Review the parts information on page. 2 of TSB #19-01-036H.

Customer Notification

None

Thank you for your prompt attention to this important matter and continued commitment to Hyundai customers.
