RETAILER EMPOWERMENT

We appreciate the frustration experienced by both our customers and Retailers with regards the launch of any Update Prior to Sale program.

Following the launch of Retailer Empowerment (and where you feel it appropriate), you now have the ability to offer goodwill to customers who have suffered delays in the delivery of their vehicle. Any goodwill offer should be specifically for a customer whose vehicle delivery has been delayed due to this specific activity to acknowledge the poor experience.

Should you have any questions, please contact the Customer Relationship Centre (CRC) in the first instance for help and support.
