

McLaren Senna Rear Lower Wishbone Replacement

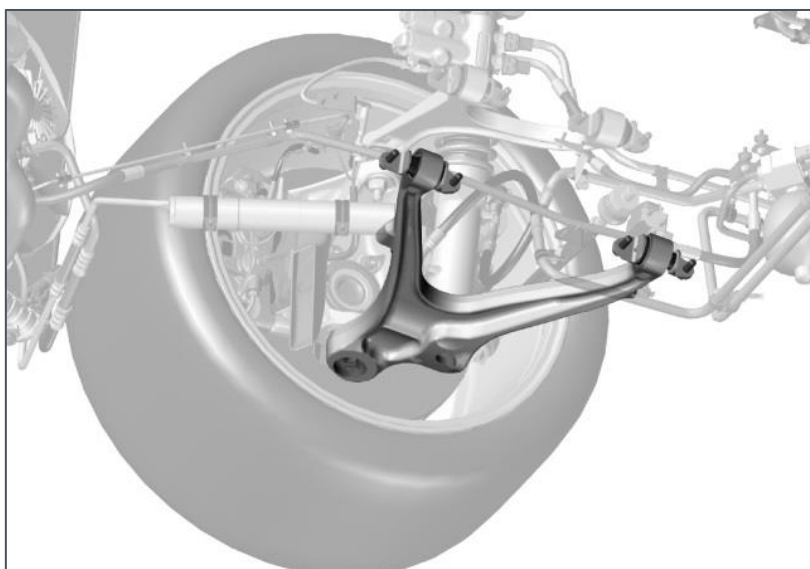

Bulletin type: Service Campaign
Reference number: 15 B 001
Campaign reference: 040
Attention: Retailer Service Managers and Retailer Technicians.
Affected vehicles: McLaren Senna
Situation: Rear lower wishbone bushes degradation
Procedure: Please refer to the information outlined in this document to replace both rear lower wishbones with 720S parts and replace fixing bolts
Date: 21st February 2019

This bulletin will cover:

1. Overview
2. Procedure
3. Affected Vehicles

1. Overview

McLaren Automotive, through the development process, has identified that the rear suspension lower wishbone bushes may experience an unacceptable level of degradation after long term use. This can affect the vehicle's handling and/or cause knocking noises. Due to this, we recommend that the rear lower wishbone is replaced at the next visit to the Retailer or upon customer concern as detailed below.

McLaren Senna Rear Lower Wishbone

2. Procedure

To eliminate this condition, the recommended action is to replace both rear lower wishbones with the updated parts indicated in the table below, including the fixing bolts.

Part Number of Wishbone to remove from vehicle	Part Number of new Wishbone to install
15BA307CP WISHBONE - LOWER - REAR - LH	14B0584CP WISHBONE - LOWER - REAR - LH
15BA308CP WISHBONE - LOWER - REAR - RH	14B0585CP WISHBONE - LOWER - REAR - RH

To remove the existing rear lower wishbones and install the new parts in both sides of the rear suspension of the vehicle, follow the Service Information System repair instruction:

EA-RM-04B002-03-002 - Remove/Install Wishbone - Rear - Lower

Care Point: New fixing bolts must be used when installing the new wishbones.

3. Affected Vehicles

Your Regional Aftersales Manager will contact you with a list of affected vehicles.

If you have any questions, please speak to your Regional Aftersales Manager.

Best regards,

The information contained in McLaren bulletins is for internal use only by McLaren Authorised Retailers and must not be published on external websites or social media forums etc.

Part numbers listed in McLaren bulletins are for reference only. Always check with the parts department to verify the latest part numbers.

All bulletins (Information/Campaign/Recall) issued by McLaren Automotive Limited ("McLaren") are intended only for use by technicians who have attended McLaren technical training courses. McLaren trained technicians have the equipment, tools, safety instructions and the know how to perform the job properly and safely. McLaren bulletins are written to inform McLaren technicians of conditions that may occur on some McLaren vehicles, or to provide information that could assist diagnosing a McLaren vehicle. Part numbers listed in McLaren bulletins are for reference only. Always check with the parts department to verify the latest part numbers.
