Improved Through Luggage Compartment Doors

HDX

All three sizes (69", 95", 125") of through luggage compartments will have newly designed luggage doors.

Features Include:

- 1 point rotary slam latch (latches/releases like a car door)
- Sleek plastic door handle
- Standard CH545 keyed lock
- Standard gas springs
- 1 piece perimeter rubber door seal
- No open linkages on inside of door
- Hidden Hinge fasteners above door skin
- Fewer Frame fasteners, none on center post
