Cummins Engine Tariff

C2 / EFX / HDX

We have just been informed that Cummins will be passing along a newly imposed tariff for all of their engine offerings.

Effective 4/5/19, all new Cummins orders will include option **A000000172 - 2019 Cummins Engine Tariff** at \$205. This sales code will be below the line on your invoice and will not be subject to any discounts or concessions.

Below is a summary of changes that will take effect in RACE.

Feature	Description	Action
A000000172	2019 Cummins Engine Tariff	Released
