When placing Minotour orders it is important that the correct Model Year body adjustment be ordered in matching the Model Year of the chassis.

This ensures we build to the correct Bills of Materials and allows us to research orders in the event of changes.

The following sales codes are released for MY2020 GM chassis

B5993-67-000 Body Adjustment – MY2020 GM SRW – Gas

B5993-67-001 Body Adjustment – MY2020 GM DRW – Gas

Please make sure you enter the correct Model Year option code that matches the Model Year of the chassis.
