Background

American Honda Motor Co., Inc. (AHM) is investigating certain 2018-2020 Accords with a customer complaint of a rattle noise coming from the HVAC system. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested **ONLY** if the vehicle meets the following requirement:

1. Rattle noise is traced to the heater box.
2. No repair has been attempted for this issue.

Action Required

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
