

Title: Base Line 1016 update

Applicability: All Karma Vehicles
Market Region: All

PRIORITY: Vehicles on list

PURPOSE:

Advisory of winter washer fluid. All Karma Vehicles are filled in the factory with summer specification (California Approved) windshield washer fluid. Vehicles in regions with freezing winter temperatures should empty the washer bottle and refill with the appropriate local winter formulations or all season washer fluid. See image below of the Revero GT (Fig 1) for the washer bottle fill location, number 6, under the hood.

Examples of washer fluid for colder temperatures (Fig 2)

Karma Automotive Bulletins and service documents are intended for use by experienced and trained Technicians. If you lack the skills, tools, equipment and a suitable workshop for any procedure described in this document, we suggest you leave such repairs to a Karma retailer and service provider. See your service provider for advice on whether your vehicle may benefit from the information contained within this document. The information contained in the Karma Bulletin is accurate at the date of publication. However, Karma Automotive regularly updates technical information. Please check with your Karma Automotive Retailer and Karma Automotive service provider that the bulletin you intend to use contains the latest available information.
