Taycan PCM 6.0 32GB Memory Card

Technical Support
2000 USA Only

Porsche AG has released the PCM 6.0 for the Taycan and subsequent vehicles after the Taycan. This Memory card is comprised of two connections (USB A Connection and a USB C Connection). Starting with the 992, the connection in the vehicle where PCM updates are administered has now been changed to a USB C Type Connection. Porsche AG, along with PCNA, will **auto-ship (Qty 2) of the part number V04 014 999 WW 000 free of charge to every dealer**. These 32GB Memory cards will start shipping to every dealer CW3/20 Monday, January 13. These cards can be stored with other SD Cards in the SD Card Case for safekeeping. If you have any questions regarding the GB Memory card, please feel free to contact us at askthetoolguy@porsche.us.
