Background

American Honda Motor Co., Inc. (AHM) is investigating certain 2017-2020 CR-Vs with a customer complaint of a brake fluid leak. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

AHM is interested ONLY if the vehicle meets the following requirements:

1. Brake fluid leak is traced to the brake pipe U.
2. Vehicle has not been in a collision.
3. No repair has been attempted for this issue.

Action Required

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
