REF #: ICI20-005

Effective: 02/12/2020

Release: 02/12/2020

SUBJECT: DDC D19M7 – Revised Bulletin

This letter is to inform you that a revised bulletin for Detroit Diesel Field Service Campaign D19M7, *Pre-Series Cascadia Emission Label Replacement* is available on DTNAConnect. Please print and use the revised bulletin for all work under D19M7 from this point forward.

REVISION: Page 6 of the bulletin under “Corrective Procedure” for step 3, page 7 under “Warranty Information” and the “Certified Emission Label Check Sheet” to be referenced by all authorized dealer/distributor via DTNA Connect.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
