

SERVICE CAMPAIGN BULLETIN

XL SERIES S-CAM LUBE CAMPAIGN

CAMPAIGN NO: T0420

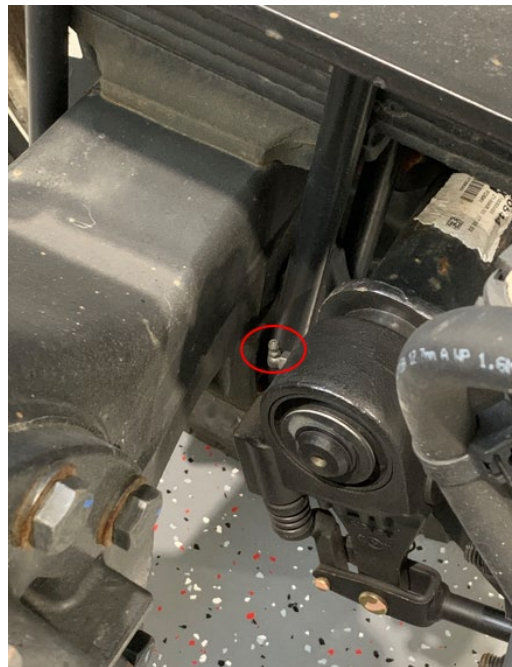

DATE: 2-27-2020

SUBJECT VEHICLES: Certain XL Series trucks equipped with Drum Brakes.

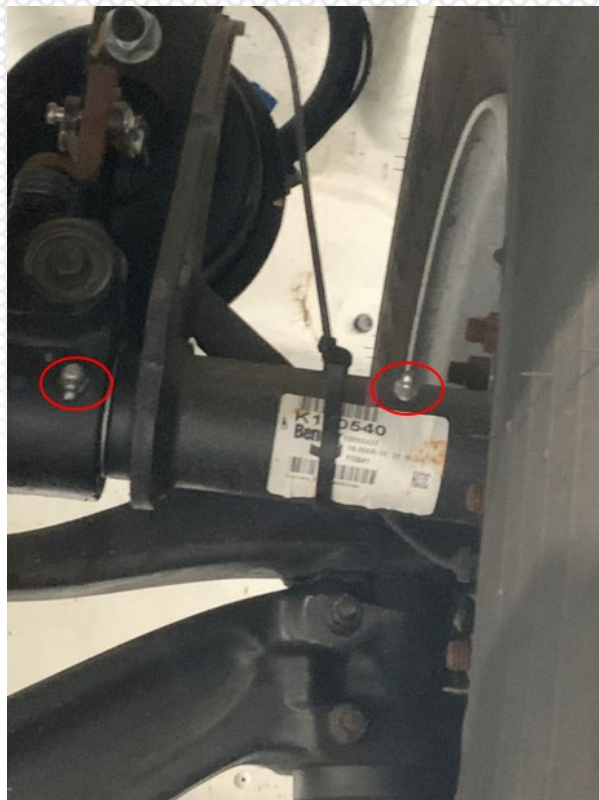

Note: *Refer to the appropriate Vehicle Identification Number (VIN) list to determine vehicle eligibility.*

OVERVIEW:

XL Series trucks equipped with a Dana front and rear drum brakes. During inspection, we found a few of the Dana axle S-Cam tubes that were not initially greased from the factory. Please make sure the zerk fittings have been properly greased before releasing the truck.

Rear Axle

Front Axle
