

To: Dealers, General Managers, Service Managers and Warranty Managers,

Please find this month's, February 2020, Excel report that details all **open Recall and Field Service Campaigns**. As shown, we have over 300,000 outstanding repairs to be made on this vehicle population.

We thank you for proactively working with customers to get these open campaign repairs completed, in a convenient manner, in order to prevent any unscheduled downtime events.

If you have any questions regarding the file or need further assistance, please contact Leo.Connolly@Daimler.com.

Thank you and best regards,

DTNA Campaign Group
