Subject: Chassis/bodywork repair jig kit

Please note that the F142MVS / F142MFL JIG KIT for bodywork workshops authorized to repair aluminium chassis will soon be available. This kit is specific to the following models:

- 488 Pista
- 488 Pista Spider
- F8 Tributo
- F8 Tributo Spider

This kit supplements the F142 JIG KIT (458 Italia), the F142AD JIG KIT (458 Italia Spider) and the F142M JIG KIT (488GTB e 488 Spider) already in your possession and consists of the items shown in the table below.

Part No.	Description
FNA Part # 79683203	AV083203/T Jig for repairing and checking underbody points Jig for repairing and checking bodywork, used in conjunction with tower P/N A456.

As already referenced in Technical Information 2166 dated March 2014, **CAR BENCH International S.p.A.** is the sole supplier authorized by Ferrari for bodywork equipment. As a result, **Ferrari North America will automatically ship and invoice** this kit directly to the bodywork workshops authorized by Ferrari to repair aluminium chassis.

Thank you for your co-operation.
