

Warranty Policies and Procedures Bulletin

Audi Warranty

Number: AWA-20-02

Subject: Intake Manifold Extended Warranty

Date: March 30, 2020

Dealers: U.S., Puerto Rico

This document modifies the Audi Warranty Policies and Procedures Manual.

Effective Reception Date: March 30, 2020

The following intake manifold warranty extension is applicable for certain Audi vehicles. Affected vehicles may include:

- Q3 (model year 2015)

Note: This extension only applies to specific vehicles identified with Warranty Key U41.

To determine if a vehicle is eligible for this extension, check in the VIN in ElsaPro >> Vehicle Data. If the warranty extension is applicable to the vehicle, the “Warranty Key” section of the “Vehicle Data” screen in ElsaPro will be populated with Warranty Key U41.

Intake Manifold Limited Warranty Extension

For applicable Settlement Class Vehicles, the New Vehicle Limited Warranty will be extended to cover repair or replacement (by an authorized Audi dealer) of a failed intake manifold during a period of 10 years or 120,000 miles, whichever occurs first, from the vehicle’s original in-service date.

The vehicle’s original in-service date is defined as the date the vehicle was delivered to either the original purchaser or the original lessee; or if the vehicle was first placed in service as a “demonstrator” or “company” car, on the date such vehicle was first placed in service.

What is Covered?

The warranty extension will be subject to the terms and conditions of the original applicable New Vehicle Limited Warranty (other than the extended time/mileage period) and will include the intake manifold and any parts and labor necessary to effectuate a repair. It will apply to all Settlement Class Vehicles irrespective of whether the vehicle has been repaired on or before the effective date of the settlement.

Damage resulting from outside influences, such as but not limited to, abuse, alteration or modification, a collision or crash, vandalism and/or other impact is excluded and not covered under the extended warranty. Repair or replacement under this extended warranty must be performed by an authorized Audi dealer.

Warranty Policies and Procedures Bulletin

Transferability

The warranty, as extended, is fully transferable to subsequent owners.

Vehicle Eligibility

To determine if a vehicle is eligible for this extension, check in the VIN in ElsaPro >> Vehicle Data. If the warranty extension is applicable to the vehicle, the “Warranty Key” section of the “Vehicle Data” screen in ElsaPro will be populated with Warranty Key U41.

Vehicles with the totaled status are excluded from coverage under this Warranty Extension.
