

# WKJ9 Workshop Campaign - Re-programming control unit for assistance systems

Version 1

## Overview

Due to a software error in the control unit for assistance systems, there is a possibility that the assistance systems "Porsche Active Safe (PAS)" and "Lane Keep Assist" will sometimes fail in the affected vehicles.

If this happens, the warning message "PAS restricted" or "Lane Keep Assist not available" is displayed in the instrument cluster.

Please arrange for this measure to be carried out on the affected vehicles the next time the vehicles come into the dealer.
