

## Cylinder Head Gasket Update

Multistrada 1260 Model Year 2018 – 2020

(all versions)

XDiavel Model Year 2016 – 2020 (all versions)

Service Repair Bulletin SRV-SRB-20-010

Date: March 5, 2020

To: Dealer Principal, General Manager, Service Manager, North American Dealer Network

From: Richard Kenton, Technical Director

Eric Bradley, Technical Training and Publications Manager

---

Dear Dealers,

This Service Bulletin is to provide the relevant part number and specification differences between the previous model engines that require the Klinger type cylinder head gaskets and the current engines that require the new Victor Reinz gaskets. In order to ensure a better cylinder to cylinder head coupling, the new Victor Reinz gaskets have been introduced for the Testastretta DVT 1262cc engines, and are installed on the above referenced models.

The new Victor Reinz gaskets feature additional rubber profiles on the metal gasket which, unlike Klinger gaskets, do not require additional O-rings at the oil passage points. The included table shows the gaskets with the relevant part numbers that can be installed on DVT 1262cc Testastretta engines:

### ATTENTION

Due to the different position of the water pump, the Victor Reinz gaskets installed on the Multistrada 1260 and XDiavel models are different. Also note that Victor Reinz gaskets and previous Klinger gaskets are NOT interchangeable, due to the difference in machining of cylinders.

### NOTE

The Testastretta DVT 1262cc engine mounted on the Diavel 1260 model is already equipped with the latest Victor Reinz gaskets for cylinder-cylinder head coupling.

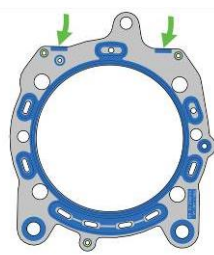

## Cylinder Head Gasket Update

Multistrada 1260 Model Year 2018 - 2020

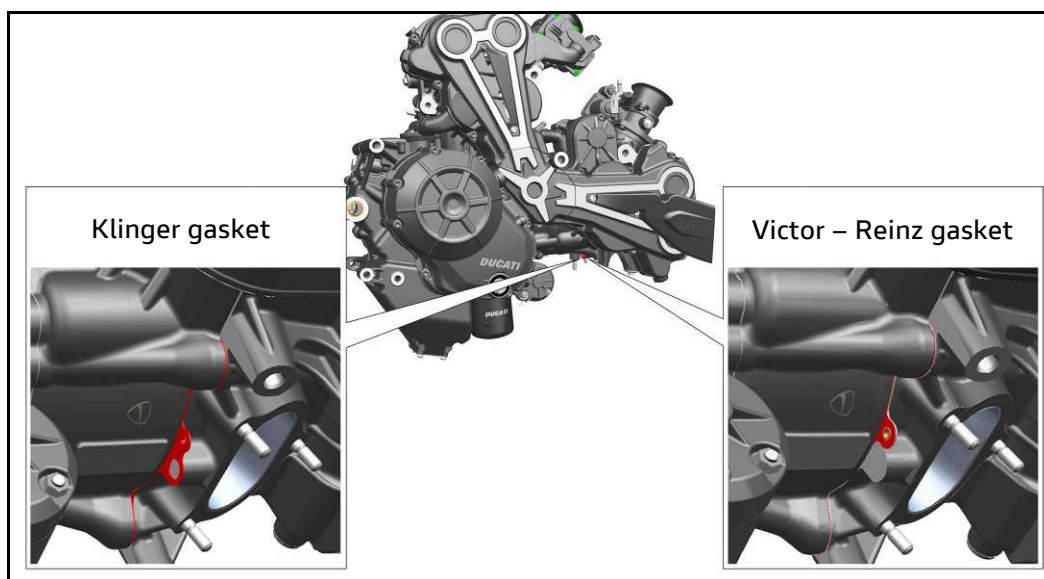

(all versions)

XDiavel Model Year 2016 - 2020 (all versions)

Service Repair Bulletin SRV-SRB-20-010

Models	Klinger Gasket	Part No.	Victor - Reinz Gasket	Part No.
Multistrada 1260		78611001B		78611391C
Models	Klinger Gasket	Part No.	Victor - Reinz Gasket	Part No.
XDiavel		78611371A		78611401D

In order to recognize the type of gasket installed on Testastretta DVT 1262cc engines, please check the cylinder-cylinder head coupling in relation to the horizontal cylinder as shown in the figure below:

## Cylinder Head Gasket Update

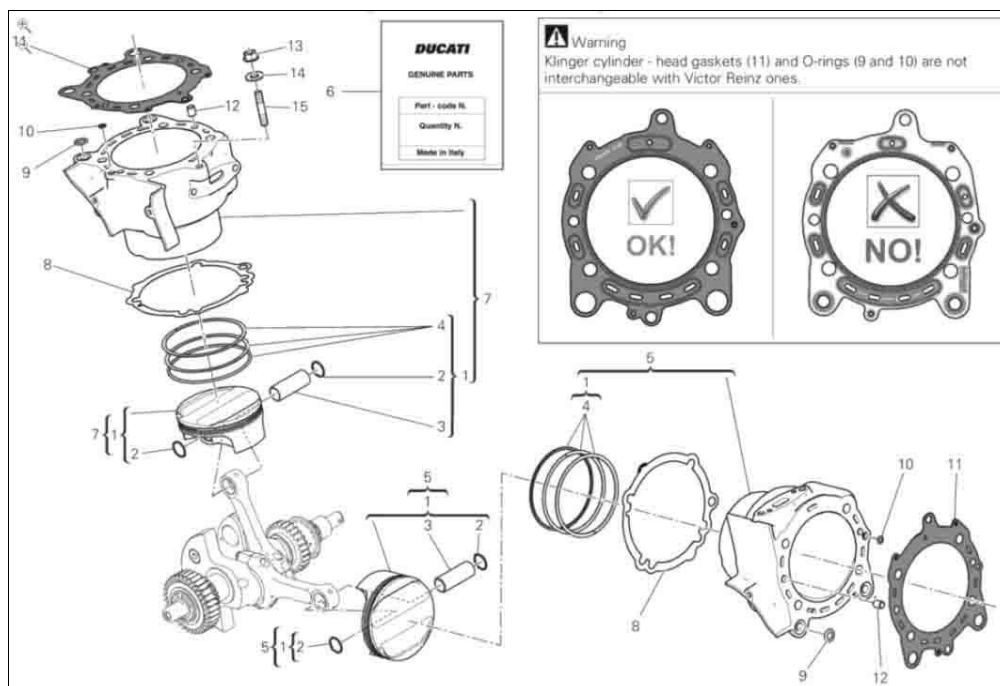

Multistrada 1260 Model Year 2018 - 2020

(all versions)

XDiavel Model Year 2016 - 2020 (all versions)

Service Repair Bulletin SRV-SRB-20-010

Also note that the spare parts catalogue includes both gaskets, with no detailed information regarding the serial numbers on which engine gaskets have been replaced. Therefore, before placing any order, please pay close attention to the type of gasket already installed.
