- U.S. / Canadian Distr./Branches and Div. Offices (Automotive)

This is to revise and replace TRP 2236, dated 26-Nov-2019. This revision is to:

1. **Add limits to the qualification parameters, and**
2. **change the expiration date to: 26-November-2020.**

If additional information is required, please contact your Cummins Warranty Operations Group Leader.

Description

This TRP provides for retroactive coverage of customer billable repairs completed by Cummins authorized repair locations prior to the release date of this field action. This action specifically applies to VGT Actuator replacements as result of Cummins published troubleshooting.

Note : This field action provides for retroactive coverage of repairs, including customer billable repairs, completed by Cummins authorized repair locations prior to the release date of this field action. Service providers should have invoice documentation of the original repair ready to support the retroactive claim. Previous repairs are eligible for reimbursement **ONLY** to the customer that paid for the previous repair. All Service providers attempting to file claims for retroactive repairs should reference Warranty Memo M1825 for instructions.

Note : If original repair was **not** completed by a Cummins authorized repair location, the labor amount is **not** reimbursable. **ONLY** parts will be reimbursed.

Note : Retroactive Coverage has an expiration date. As indicated in Warranty Memo #1825, retroactive claims will **only** be accepted for a period of one (1) year from the original publication date, unless otherwise noted. Retroactive claims will **NOT** be accepted AFTER 26 November 2020

Action

In order to qualify for repair under this field action, an engine:

1. will be covered if the failure occurred within 10 years in service and 185,000 miles, and
2. **must** show as OPEN on QuickServe® Online for this field action, and
3. the reimbursed customer must be the customer who paid for the previous repair.

Note : The ESN list is attached for reference.

After verifying that the engine meets the above requirements, perform the following actions:

1. Service providers should review the original invoice to determine the total portion of the invoice that is reimbursable.
2. Claim **ONLY** the total invoice VGT Actuator part amount and the labor required to remove and install the VGT Actuator. All claims **must** be filed before 26-November-2020.
3. File the full calculated amount from the invoice under the Other Claimable section of the claim and use the claim narrative to detail what amounts were included. Consolidate ALL consumables, parts and labor and claim them as one line item in Other Claimable, titled "CAMPAIGN SUPPLIES". Itemized labor SRTs (including admin) should **NOT** be claimed against this field action. Itemized part numbers should NOT be claimed.
4. Guidanz and RapidServe™ Web claim filers, open a new claim and attach the original repair's invoice to the claim for supporting documentation. A multi-ESN claim may also be used for multiple requests of the same customer. All other users email the invoice to warranty@cummins.com. Include the ESN and TRP numbers in the attachment name and the subject line of the email.

Material Disposition

Where applicable, items removed should be returned to ReCon for core credit. Unless otherwise indicated, items with no core liability can be scrapped.
