2018-2020	LC500H	2018-2020	RC F

CONDITION

Some vehicles equipped with Dynamic Navigation may experience a pop-up message notifying them that their map update service will end soon. The date that is shown could be more than one year in the future. This does not indicate any issues with the vehicle, and is only informing the user of the expiration date.

RECOMMENDATIONS

If this message occurs, select the “Do Not Tell Me Again” button to disable this pop-up from occurring in the future.
