SITUATION

BMW AG has issued a Delivery Stop (effective March 13, 2020) on a small number of Model Year 2020 MINI vehicles that were produced between February 4, 2020 and February 13, 2020. Due to a possible production issue, the cylinder head will need to be replaced on the affected vehicles.

Do not deliver to a customer, a New, Certified Pre-Owned or Used vehicle subject to a Delivery Stop, until the vehicle is repaired. Do not use or sell replacement equipment/parts subject to a Delivery Stop.

The bulletin will be updated when additional information becomes available.
