

## GPOP - Issue Review System

**Part Number:** 5YE132X7A\$, 6BM082N6A\$, 6BM082XTA\$

**Part Description:** CUPHOLDER, Center Console

**Issue Description:** Please note: If the customer complains of the center console cupholder not latching or stuck closed, please follow the instructions below prior to replacing the part.

The storage bin door located on the center console can get foreign material lodged on the underside of the door (which you cannot see). Please remove the cupholder bin per removal instructions, turn it over, remove the (4) M25 screws holding the shield down and look for/remove any foreign object found.
