IMPORTANT PRODUCT UPGRADE INFORMATION #200515REV June 2020

Dear Valued American Coach Customer:

REV Recreation Group, Inc., on behalf of its manufacturing center located in Decatur, Indiana, is contacting the owners of certain model year 2019-2020 American Coach Dream and Revolution, Class A diesel motorhomes manufactured August 31, 2018 through October 24, 2019.

This notice is sent to inform you of important product upgrade information concerning **your** motorhome.

Why is the product upgrade being offered?

On motorhomes affected by this Product Upgrade, an older revision of the rear pipe section of the Aqua-Hot exhaust may have been installed during production, resulting in a configuration that will make the Aqua-Hot exhaust pipe exit the rear of the coach, below the trailer hitch skid guard. This could cause the exhaust pipe's chrome tip to become damaged from scraping if the vehicle is driven on an incline.

How can you take advantage of this product upgrade?

Please contact an **authorized REV Recreation Group servicing dealer** to schedule the upgrade procedure. The procedure is expected to require less than one hour; however, additional time may be required by your dealer due to service scheduling.

The upgrade is offered free of charge to owners of vehicles still within their base warranty period, or one year from the original mailing date of this letter (whichever is later).

For assistance locating an **authorized REV Recreation Group servicing dealer**, you may call American Coach Owner Relations toll-free at:
(800) 435-7345

When you deliver your motorhome for service, your dealer will complete a Repair Order. Upon completion of the upgrade procedures, please sign the dealership's Internal Repair Order.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold

it to on the enclosed, postage-paid Vehicle/Owner Information Update Card and return it to REV Recreation Group. This will allow us to update our records, and if necessary, notify the new owner using the information you provide.

Alternately, you may use a smart device and the QR code at right to navigate to the online owner update form, or visit:
