

SSM 48910 - 2020 Police Interceptor Utility - Dark Car Mode Programming - Inoperative RKE Transmitters

Some 2020 Police Interceptor Utility vehicles that had dark car mode enabled or disabled with FDRS on or before 21-May-2020 may have inadvertently had the remote keyless entry (RKE) transmitters disabled. To correct the condition, reprogram the RKE transmitters with FDRS application BCM - Remote Keyless Entry (RKE) Transmitter Programming. For claiming, use causal part 15607 and applicable labor operations in Section 10 of the Service Labor Time Standards (SLTS) Manual.
