To: All General Motors Dealers

On June 4, 2020, General Motors released Safety Recall N202306490 and on June 9, 2020 GM released accompanying Service Update N202306491. We have since identified 209 vehicles which did not belong in the involved population for the Safety Recall, and 48 vehicles for the Service Update Bulletin. These VINs were removed from the involved vehicle population and the Investigate Vehicle History (IVH) screen has been updated.

The attached revised list provides the Vehicle Identification Number (VIN) of all involved vehicles in dealer new inventory for Safety Recall N202306490 and all involved vehicles for Service Update N2032306491.
