REF #: ICI20-021

Effective: 7/16/20

Release: 7/16/20

SUBJECT: SF606 – Revised Bulletin

This letter is to inform you that a revised bulletin for Field Service Campaign SF606 Agility 8.0L Engine Calibration Updates is available on DTNAConnect. Please print and use the revised bulletin for all work under SF606 from this point forward.

REVISION: The work instructions have been updated and a new contact phone number for Agility with business hours has been provided.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
