

Preliminary Information

PIT5758 Unwanted or False Front Park Assist Alerts

Models

Brand:	Model:	Model Years:	VIN:		Engine:	Transmissions:
			from	to		
GMC	Yukon Models	2021	All	All	All	All

Involved Region or Country	North America
Additional Options (RPO)	UD5
Condition	Some customers may comment on unwanted/false front park assist alerts. These false alerts generally indicate an object being on the far left, far right or both, as shown below.
Cause	This concern could be caused by an issue with the K182 Parking Assist Control Module software.

Correction:

GM Engineering is working on new K182 Parking Assist Control Module Software to correct this concern. No further repairs should be performed.
