

Subject		Market
Front Door Window Glass Cleaning Precaution		USA
Service Category	Section	
Vehicle Exterior	Window/Glass	
Applicability		
2018-2021 NX300, NX300h		

APPLICABLE VEHICLES

2018-2021	NX300	2018-2021	NX300H
-----------	-------	-----------	--------

CONDITION

Some customers/dealers may experience a condition where the front door window glass can easily be scratched when an abrasive product is used to clean the windows.

RECOMMENDATIONS

The front door window glass has UV cut/ IR cut coating inside. Do not use any abrasive products, such as a razor blade, to clean the windows otherwise the coating may be damaged.
