2019 cascadia the blower inop Sep 16, 2020 10:23 PM

I have a 2019 cascadia the blower motor is inop I have voltage to the blower motor but it doesn't come on
Replaced the blower motor and no change any idea what I should look for

weve had 2 newer style Cascadias in the past 2 weeks with same complaint and found its the 3 pin hvac
connector burnt up
