

SSM 49222 - 2020 F-250/F-350 - Pulls While Braking, Noise Or Binding - Revised Caliper Removal Procedure

Some 2020 F-250/F-350 vehicles may require replacement of the front brake caliper. If replacement of a front caliper is required to repair a vehicle for a pull while braking or brakes binding concern replace the caliper along with the caliper slides and caliper anchor bracket. For claiming use causal component 2B120 or 2B121 and applicable labor times from Section 02 in the Service Labor Time Standards (SLTS) Manual.
