TOL NOTICE (US&CA) – September 3, 2020

TOL Ref. # 15750-PAC

ROCKET 3 PANNIER LEAK

It has come to our attention that when our current pannier waterproof covers are equipped, a leak path can be created where the contents of the pannier will be exposed to water from normal riding in wet conditions.

To alleviate this concern we intend to supply all customers who have purchased the Rocket 3 Genuine Accessory Pannier set a revised weather pack. This pack will consist of a pair of redesigned pannier waterproof covers and a pair of waterproof pannier inner roll bags, this will be supplied free of charge under part number T9510693.

This will be controlled by issuing the pack to all dealers who have ordered the Genuine Rocket 3 Accessory panniers. We expect to begin this action by the end of September 2020.

If you have any additional questions, please contact Triumph Customer Support at (888) 284-6288.
