

SS 1034783 20K Detroit Axle King Pin Lube Access

Concern:

WST trucks equipped with 20k Detroit front axles and disc brakes built up to 8/17/2020 do not have sufficient room to access the king pin grease zerk.(see below)

Applicable Vehicles:

WST trucks built with 20k Detroit axles with disc brakes

Solution:

Retro fit axle for remote grease zerk. See pictures below.
