

October 14, 2020

Attention: All Dealer Principals

Kia Motors America, Inc. is extending the warranty coverage for the driver's front airbag clock spring assembly on **2012-2013 MY Rio** and **2014-2015 MY Forte and Forte Koup** vehicles to **fifteen (15) years with unlimited mileage**, starting from the date the vehicles were first put into service.

The clock spring is an electrical connection, which rotates with the steering wheel to maintain proper functioning of the airbag unit. This warranty extension addresses failures of the driver's front airbag clock spring as reported by some vehicle owners, as well as the diagnosis of any concerns related to the airbag warning light.

During the week of **October 14, 2020**, the Technical Service Bulletin that provides vehicle repair procedures will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com and the Warranty Bulletin describing this warranty extension will be posted on www.kdealer.com.

Kia will notify owners of the warranty extension on **October 16, 2020**.

LEGAL PRIVACY LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information.

If you have any questions, please contact your Kia District Parts & Service Manager.

Sincerely,

Kia Service Department
