Parts Withdrawal - Closed Workshop Campaign Parts

Replaces all previous bulletin bearing this number.

Attention: Porsche Parts Managers/Parts Personnel

As outlined in the PCNA campaigns post "Campaign Closing Process" (<https://ppn.porsche.com/portal/docs/DOC-299524>) Porsche will begin closing Workshop Campaigns open for more than 5 years. Recall campaigns are not affected by this action and will remain open until 100% completion rate.

Due to this, PCNA will request back parts from dealers for campaigns that have been closed, and are no longer available. Therefore, Porsche Cars North America requests return of the following parts to PCNA if in stock at your dealership:

Part Number

00004321006	00004321011	00004321022	00004398990
00004321010	00004321021	00004398988	00004398991

To avoid restocking charges and receive full credit, follow these steps:

- Please enter a return in PPL by Wednesday, October 28th, 2020.
- Please use **GR13D528** as a purchase order number.
- Parts returned to PCNA without a return delivery note will be sent back to the dealer at dealer's expense.
- Return requests received after the specified return date **will not be processed** and the parts will not be accepted for return. Parts will be coded non-returnable from that date on.
- These parts must be physically returned by close of business day on Wednesday, November 4th, 2020 to your facing PDC.

Thank you for your cooperation in this matter.
